## OVERVIEW

I'm passionate about technology and eager to learn and grow. With hands-on experience in networking and CCTV installations, I've worked on tasks like termination, cable tracing, and troubleshooting. I also contributed to a team project in college, developing a dynamic website for our school. I thrive in collaborative environments, embrace challenges, and excel at managing time and communication under pressure. My technical skills in networking, CCTV, and web development, combined with my adaptability, make me a strong asset to any team.

## EXPERIENCE

### Student Intern

Jun 2021 — Sep 2021, Alfonso, Cavite

During my time as a student, I gained valuable hands-on experience through part-time roles and internships in my field of study. These opportunities, ranging from customer service to technical internships, have strengthened my communication, problem-solving, and time-management skills. I've worked closely with diverse teams, collaborating on projects that required adaptability, attention to detail, and a strong commitment to delivering high-quality results. These experiences have not only enhanced my technical abilities but also deepened my ability to work effectively in team settings. I'm eager to bring this well-rounded experience to future opportunities and continue my professional growth.

### On Job Training , Wilmer Manimtim Mauricio, ITSolution-WMM

Aug 2024 — Nov 2024, 411 Sungay West, Sungay North Tagaytay City

During my OJT with ITSolution-WMM, I gained hands-on experience in the installation, maintenance, and troubleshooting of CCTV systems. I was responsible for installing and terminating CCTV cameras, managing wiring, and resolving network and connection issues to ensure system reliability. My key projects included installations at Char's Garden Cafe, Lake Hotel Tagaytay, and DIY Dad, where I contributed to improving security infrastructure. This experience sharpened my technical skills in networking and security systems, while also enhancing my ability to collaborate effectively with a team and communicate professionally with clients.
